FEDERAL ENERGY
REGULATORY COMMISSION

Dear Magalie R. Salas,

CP06-54-000

I am writing on behalf of the Long Island Sound and its safety. The Long Island Sound does not need a costly, risky, LNG barge, and the constant armed private security disrupts the peaceful tranquil waters of the sound. I feel that this is a dangerous proposal. It will limit public access. I would appreciate a response with your position on this proposal.

Crystal B DeFreitas

Respectfully yours,
Crystal B. DeFreitas
